

INFORMATION ON HOW THE PERSONAL DATA PROVIDED IN CONTRACTS IS PROCESSED

GTS TELECOM S.R.L. processes, in its capacity as controller, the personal data of the data subjects described below, for the **purpose** of implementing the contract(s) that our company has with its corporate/institutional clients. We can process the data of the data subjects in order to exercise and defend the rights that we have according to the contracts, in the event of a dispute.

Data subjects: The legal/authorised representatives of the parties, contact persons/persons in charge of implementing the contract(s) and attorneys/consultants of the partners.

Categories of processed data: full name, signature, title, e-mail address, telephone number and any other identification data provided while the contract(s) is/are being implemented.

Special data categories: n/a.

Recipients of personal data: GTS Telecom through its employees that manage the contractual relationship with you, institutions and/or public authorities (as requested, according to the law or in a legal dispute), judicial courts, arbitral courts, insolvency professionals, bailiffs, debt recovery companies, lawyers, consultants, translators, experts, mediators, credit institutions, auditors (in debt recovery circumstances, equipment, audit, etc. as applicable).

Rights According to the General Data Protection Regulation (EU) 2016/679 applicable as of 25 May 2018, data subjects are supposed to enjoy the following rights: the right to request access to, rectification, erasure or restriction of processing as per the applicable legislation, the right of opposition (in the case of data processing that is legally substantiated by a legitimate interest); the right to data portability; the right to withdraw their consent (if the processing is legally grounded on consent, if the case); the right to submit a complaint to the competent supervisory authority

In order to be able to enjoy the rights above, please send a written dated and signed request to data_privacy@gts.ro and a copy to your GTS Telecom account manager.

Grounds for processing: the contract that formalises the business relationship of GTS Telecom with its corporate/institutional client. The legitimate interest in the case of the need to defend oneself and to exercise rights in a legal dispute.

Storage period: we preserve the personal data while your contract with GTS Telecom is applicable and after the expiry of the contract, according to our internal policies and the legal obligations that we are bound to observe.

Transfer outside the EU and the European Economic Area: no data is transferred outside the EU or the EEA.

Action taken by the controller to secure the processing activity:

- proper technical and organisational action taken, of a general or specific character, as applicable, adopted in the GTS Telecom's personal data protection policy and in Deutsche Telekom Group's Security Policy;
- confidentiality clauses for the employees who have the right to access your data or date of third parties that are specified as recipients, as applicable.
